## HIKE DETAILS

- The hiking is demanding. You have to wear comfortable clothes and stay hydrated
- You'll sleep at 3,756 meters above sea level and the temperature at the camping is around 5°C to -10°C, so warm clothes are needed (don't worry! we provide free of charge!)
- Rain showers may occur, mainly from April to October
- Our camping is located at the Sunset side. It is a very exclusive spot (only us + 1 other agency)
- We offer a unique special covered kitchen at the camping, so you will be protected and enjoy the view while eat around a fire pit
- We carry all the gear, dinner and breakfast to the camp. You only carry your clothes, water, lunch and snacks.
